About Eventective

Eventective, the Web's most comprehensive resource for event and meeting space and related services, is visited by 1.2 million planners each month and provides a selection of more than 120,000 venues, 400,000 event spaces and 180,000 vendors nationwide. As the only complete national search portal with a local focus, planners can browse a metro area for venues and vendors located within a specific area. Every day, planners in the U.S. and Canada send thousands of leads through Eventective, generating an estimated \$4.5 billion in event business annually for the meeting and events industry. Headquartered in Portland, Maine, Eventective is recognized as an authority site on Google for wedding places and party halls and lists many niche and special-interest facilities that are difficult to find elsewhere.
